MONDAY MORNING, JUNE 30, 1873

ANOTHER TEAPOT TEMPEST IN MAN-NACHENETER There is an occasional luli in the wild burning lava; there is an interregnum sometimes in the epigrams of the tomulinous George Francis Train; but phis. the rant, fanaticism, and tomfoolery of Marsachusetts never ceases. The clatter and racket in this termagant little State is as unceasing as the roar of Niavara falls. As fast as one folly rots down another sprouts upon its grave. When Millerism flickered out, spiritualism took its place. When abolition ism and the rebellion ceased to furnish food for the fanatics, they get up an excitement among themselves. The pecple of the old Bay State are continually amusing themselves and amazing the world by manufacturing earthquakes eclipses and comets with awfully big red tails. - If the beasts and birds of Massachusetts partake of the scraggy enthusiasm and the general mobility of the denizens of that modern pandemonium, there must be loud braying of the asses, squealing among the pigs, screaming by the jaybirds, and the frogs must utter de- The Tennessee Regency-Woman Ques s fiant notes in the swamps, whilst the tion in Russia-Emancipation ciricken-cocks crow with the most lusty fervor. They had a tremendous hubbub in the Hub last summer in se The Ten Mile Mystery in West Virginia lecting a candidate for governor of that saintly and immaculate State. One of the tribe of Benjamin, sometimes called

brevity, was a candidate. He rushed EMPEROR WILLIAM AND THE RUMORED into the arena with a bundle of thunderlike concrete rockets, and blazed fearfully through the heavens. The State convention was held. pered from Bull Run. The convention was as boisterous as the drunken dancers at a backwoods frolic or an asylum of lunaties. Even the stomach of the ostrich, which digests pebbles, nail-heads and bits of iron, will sicken when it the Massachusetts puritans, which had digested every offensive and loathsome nostrum, revolted at such a nauseous dose as B. F. Butler. While he was splitting and blustering, the convention of the was splitting and blustering, the convention of the such as a nauseous dose as B. F. Butler. While he was splitting and blustering, the convention of the such as a nauseous dose as B. F. Butler. While he was splitting and blustering, the convention of the such as a nauseous dose as B. F. Butler. While he was splitting and blustering, the convention of the such as a nauseous dose as B. F. Butler. While he was splitting and blustering, the convention of the such as a nauseous dose as B. F. Butler. While he was splitting and blustering, the convention of the such as a nauseous dose as B. F. Butler. While he was splitting and blustering the convention of the such as a nauseous dose as B. F. Butler. While he was splitting and blustering the convention of the such as a nauseous dose as B. F. Butler. While he was splitting and blustering the convention of the such as a nauseous dose as B. F. Butler. While he was splitting and blustering the convention of the such as a nauseous dose as B. F. Butler. While he was splitting and blustering the convention of the such as a nauseous dose as B. F. Butler. While he was splitting and blustering the convention of the such as a court, I have thought that a few words of information in course the words of information in course the words of information in course to word a court, I have thought that a few words of information in course to word a court, I have thought that a few words of information in course to word the such as a court of the such as a bullying and blustering, the convention smole him with its indignation, and the hero of Big Bethel fell sprawling like

has come again. twelve months Butler has "nursed his wrath to keep it warm." He seems to have an affection for the office of governor of Massachusetts, far surpassing the these facts, concludes thus; "In order andidate, and plunges into the empyre at the university and the polytechnic an of Mussachusetts politics, and there he hangs, hissing and fizzing. Again he hall continue to attend the above lee bulges above the recking fifth in which | wres after the first of January, 1874. he revels, just as the mushroom bulges from the debris of the barn-yard. Adversity and defeat, instead of mollifying suy kind under the control of the govbitterness, have only intensified his rage. He is writing many letters of affectionate auxiety, and the telegraphic wires are crackling with his swift messages of solicitude. He has learned nothing by former defeat, and, in his lust for politi cal offal, instead of seeking to lure and like a nimble and skipping jackal barking for shreds of entrails and tripe, or a bone to prig, he hoists his taurine tail as

conciliate, by coming into the contest Rico. It was supposed that this was a battle-flag and attempts to take every out its promises, and Secretary Fish is than any former one since the war, and outpost; to storm the citadel; to leap beginning to despair of any practical have done everything in their power to the ramparts and rush, torch in results in Cuba from the emancipation elevate the standard of scholarship and the ramparts and rush, torch in hand into the very magazine of his ene-Notwithstanding the flerce opposition to Butler, he will be nominated, and he ought to be, for his teachcorruptions and general career is the flower and fruit, the natural growth of the fanaticism which Massachusetts inculcated even while Butler was a conservative Democrat. The inexorable logic of events demand that B. F. Butler be nominated by the Radicals and flower and failed to do what they are in favor of respondence has passed, wherein secretary Fish took occasion to call the alternation of the Spanish authorities to the fact that, after the lapse of nearly a year, they had failed to do what they promised, and attempt to promised, and that the patience of the committee of the Chited The trustees held their annual meeting. representative of pure and undefiled Radicalism, and it is arrant hypocrisy for the saints of Massachusetts to hold their hands up in holy horror at the manner. Samuel Coleman, head of the idea of electing to the office of governor an indigenous villain who germinated, eighty years of age. He has three sprouted and rapidly grew upon the fruefying fifth and rottenness with which Massachusetts has fertilized her sterile hills. There is a subtle and its effect is to completely postrate their delicate flavor about Massachusetts polities not to be matched by any other son known locality. It tastes of the soil. the last twenty of those he has spent on his back in bed. The second son, Noah, There is a region in Sardinia the bitter-bess of whose earth is perceptible in its ment. Both were splendidly built that you may well have been proud of honey; and fastidious tastes have no-physique of former years renders the three in the wines of eastern France a flavor of flint; in those of Burgundy a flavor of flint; in those of Burgundy a ground the sprouts of wild eglantine, and a taste of faded rose-leaves.

And the soil seems to transmit its quality to human actions, as well as its flavor to honey and well as its flavor to honey and revertheless, have not been satisfactoris.

Mystery still more complete. Ayoung-people will give their never to our university, and help sustain and build it up, as it now deserves to be supported and maintained.

TAXES.

TAXES.

THE WOMAN QUESTION IN RUSSIA. The Russian government has just nade a remarkable announcement in its official organs relative to the Russian Alax, who tumbled into the sea when women-students in the university of Zurich. During the last two years, says smitten by the trident of Neptune. his document, the number of young Tims was the dark thunder-cloud which Rassian women who study at Zurich has rapidly increased; there are now had murshaled its black batore than a hundred in the university ad polytechnic school of that town. It talious spent, and thus was the m silenced. "But Monsieur these women-students are politicians revolutionists, radicals, and inclined t ee-love, becoming by reason of thes ings dangerous alike to society orals and the government. The roy unnouncement, after reciting many of love of babes for milk or weasels for to put a stop to this abnormal state of eggs; and he again announces himself a things, it is hereby announced to all the Russian women who attend the fectures hool of Zurich that such of will not be admitted on their return to fussia to any examination, educaional establishment, or appointment of

EMANCIPATION IN CUBA AND PORTO E100. Nearly a year ago, says the Cincin from Minister Sickles, announcing that the then king of Spain, Amadeus, had signed the regulations enforcing the emancipation law in Cuba and Porto the time when it was supposed the

THE TEN-MILE MYSTERY. There is a family named Coleman, or Cabin creek at the mouth of Ten-Mile, family, who is from the east, is now over been in bed twenty and fifteen years, respectively! The affection or disease m which they suffer is not visible, but i, is now forty-five years of age, and

that have been planted, cultivated and undoubtedly present an interesting field ripened upon the soil of Massachusetts. -Charleston (W. Va.) Courier. Cakes Ames a public reception, after THE OTOS INDIANS AND QUARES BON-A western paper is respo-

A western paper is responsible for this story, which anybody who knows anything from rebels a cargo of silver spoons. Massachusetts has condoned the corruptions of the Big Bue, in south Nebrasa, however, h Radicals. So has Butler. Massachusetts winks at bribery, excuses perjury, has no rebuke for congressional plunderers. In all these things Butler cently received intelligence from the represents his State. Indeed, he is the other missionary that the squaws had no warp and woof of Massachusetts politics, a rank, unwholesome and offensive blossom on the Radical upas tree, and the goodness of their hearts, they set themselves to work and obtaining the control of the control he is a marvelous proper man for the ed a hundred bounets, which they forthwith dispatched by the governor of a people whose politics, with dispatched by the first express to the Otoe missionary. When the bouncets arrived, the missionary's wife summoned the squaws together and fitted a bonnet on each fair head. The Indian

THE Whig and Tribune condemns the belles, however, with that cariosity No. 324 Front Street, - Memphis. press of the interior which insists that more than one hundred people have been dying here daily of cholera. Now we have a board of health furnishing we have a board of health furnishing on bottom side up, wrong side has a possible again. we have a board of health turnishing officially-gathered information. The statements of this body of experts do not differ from those of the newspapers, and every way but the right way. This was sufficiently districted by the desired as to the identity of the prevalent disease, the identity of the prevalent disease, the head, or turn handsprings, but he make it is equal to the method of the state should be a partner in our business without change of from manner. The first way this was sufficiently districted with the manner of the state should be provided as not the state of tempers, and severy way but the right way. This was sufficiently districted by the prevalent disease, the identity of the prevalent disease, the identity of the prevalent disease, the identity of the prevalent disease, the down between sunrise and sunset with the same sources of institute in the bills of mustal its square down on any secount whatever. From time to time, however, in appeared that some of the October of the Currency, do heave of the cuty of Memphis, in the county of Shelly, and State of Tennesses, enabled the requirements of the states bands of the next of the next of the section of the next of the services and state of the next of the services and the same sources of instances are successful to provide a National Currency some of the elements of the service of the services of the services of the services of the services of the cuty of Memphis, in the county of the cut of the currency do heave of the cuty of Memphis, in the county of Shelly, and State of Tennesses, enabled way begins of the cut of Course and according to the cut of the currency some state of the next of th

oment he commences to stoop in the digenous cholers, separable from that sitting process a pin runs into him and commission merchant ommit. Meanwhile the squaws went to their wigwams, carrying their bonnets in their hands, as they couldn't get there on their heads again. The warriors, taking them for erow cushions, at once confiscated them. The nex iorning the squaws were out ended, as usual, while each bold war-or had a bonnet fastened on him, panier fashion. It was not long, however, before the new 'crow fashions' were them, and as the forgetful braves one after the other sat down they wrecked

THE BUILT IN PUBLIC SCHOOLS. The supreme court of Ohio decided be other day, in the case of the exclucoard had an indefeasible right to ex-clude from the schools under their management the reading of the bible, singing, and all religious instruction, so-Omnibus.

Called, if they saw fit. The question Returning, leave the Springs 21 5:00 p.m. has assumed considerable prominence in the politics of Ohio, and the decision less many days agn with paralysis, and J.

F. McKinney presides in his stead.

E. McKinney presides in his stead. question, which has been pushed into prominence chiefly through sectarian influences. The decision asserts in effect, that bible reading and kindred exercises are to be required or excluded wholly on the ground of expediency. It would be expedient to enforce the reading of the bible, for example, wherever it did not result in depriving large numbers of children of the advantages of receiving their edu cation in association with the body of the youths of the country; but it would be inexpedient wherever it resulted in the establishment of sectarian schools and the perpetuation of race so that scriptural christians have an ad-

MISSISSIPPI UNIVERSITY.

The Future.

Offord, Miss., June 28, 1873 .-Having spent the past week in this the twenty-sixth of June the usual orde of exercises filling up the time. The ommencement proper usually dates om the sermon delivered on the Monny previous to the closing day, and he sermon delivered by Rev. J. R. Fraves on the twenty-first on Moral Courage was a splendid effort. The nd having been a student in the uniersity in years past, we were able to edge of their worth as compared with ormer students, and we must say that learning, ability, and talent dis ayed were of the highest order, and ret great credit upon the university. he following gentlemen graduated in te degree of bachelor of arts: Spencer

Bailey, C. R. Royce, M. C. Harper, J. E. Joiner, A. E. Kilpatrick, second nonor; G. Ligon, A. F. Moore, first bonor; R. O. B. Morrow, S. C. Padelford, third honor; Joe M. Sloan, J. B. Tunstall, and J. H. Wynn. Bachelor of minures. F. Robert Rernard ieuces-F. Robert Bernard. There has been a terrible hue and cry ised in this State against the univer would make a mixed school of it; bu while this is more or less objectionable o the white people, yet this board of trustees deserves great credit. They have retained all of the old faculty and done in deference to the repeated and urgent requests of our government for against the mixture of races in the schools. This board of trustees have spanish government has failed to carry set. It has been discovered that, before the advantages of the institution. There emancipation edict would take effect, faculty, or appoint true and tried south-

Butler be nominated by the Radicals promised, and that the patience of the United The trustees held their annual meeting during the week, with Governor Powers interest is nearly exhausted. The reply during the week, with Governor Powers to effect Inland and Marine Insurance, I can now offer the eeting was harmonious, and measure of economy were adopted. The expend amount appropriated by the legislature here have been three hundred and bree matriculated students past term, and the coming session bids sir to have a large number. The valelictory address to the graduating class, by A. F. Moore, of Marshall county, Mississippi, was the finest address of the kind ever delivered at this university. liant affair, over three hundred ladies being present, representing every coun
